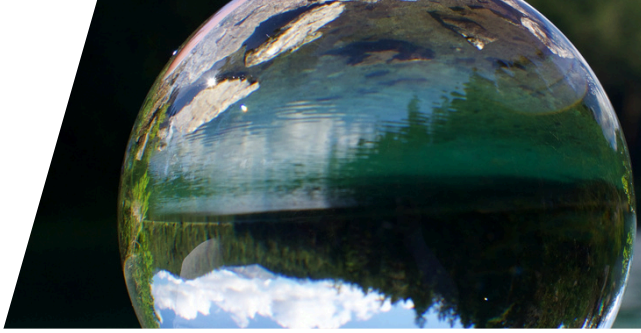
PROFESSIONAL SUPERVISION



Clarity of Purpose - Clarity in Role

Study with us to build foundational skills in:

- Accountability
- Mature ethical work practices
- Careful, relational engagement
- Sustainability

Train as a Professional Supervisor capable of working with sensitivity, compassion and clarity of purpose.

Consistently Ranked #1 in Australia for: STUDENT SATISFACTION

In 2017, 2018, 2019 and 2022 the federal government's Quality Indicators for Learning and Teaching (QILT) Student Experience Survey ranked us #1 out of all universities in Australia. This includes metrics such as learner engagement, teaching quality and student support.

The University of Divinity is committed to the training and equipping of excellent professional supervisors. Student practitioners from diverse personal, cultural and linguistic contexts are welcomed into a supportive community of learning, where pathways into further study are provided.

The Professional Supervision program trains experienced practitioners to respond to the growing need for professional supervision in the areas of chaplaincy, health, education, ministry, spiritual direction, well-being and spiritual care practitioners, and other people-focused professionals.

Be encouraged to engage with our team to find out how this program can support you.
